

**County of Maui**  
**Notice to Providers of Professional Services**  
**For Capital Improvement Projects**

For the fiscal year beginning **July 1, 2006** and ending **June 30, 2007**, the County of Maui anticipates the need for professional services for capital improvement projects.

The selection of professional services may be made in accordance with Section 103D-304, Hawaii Revised Statutes, and Section 3-122-65, Hawaii Administrative Rules, which provides that the selection of professionals may be through a list of qualified applicants. Persons engaged in providing professional services are invited to submit statements of qualifications and expressions of interest for evaluation and inclusion on a list of qualified professionals. The statements shall include the following at a minimum:

- (1) The name of the firm or person, the principal place of business, and location of all of its offices;
- (2) The age of the firm and its average number of employees over the past years;
- (3) The education, training, and qualifications of key members of the firm;
- (4) The names and phone numbers of up to five clients who may be contacted, including at least two for whom services were rendered during the preceding year; and
- (5) Any promotional or descriptive literature which the firm desires to submit. Firms or persons may amend statements of qualifications at any time by filing a new statement and shall immediately inform the head of the purchasing agency of any change in their submission that would disqualify the firm or person from being considered for a contract award.

Also, a list of projects or services provided to the County will be helpful for the County to determine the qualifications of the applicant. To be considered for selection, consultants must express interest in the specific projects for which they are qualified. Simply stating interest in "all projects" is not acceptable.

**5 copies of 1 submittal (One submittal for all jobs/all departments), shall be received no later than 4:30 p.m., June 29, 2006, at the Purchasing Division of the County of Maui, 200 South High Street Rm. #612, Wailuku, HI. 96793. Please do not submit separate submittals for each department.**

The budgeted consultant fees for projects listed below are categorized as follows: Category A - Less than \$25,000; Category B - \$25,000 to \$50,000; Category C - \$50,000 to \$150,000; Category D \$150,000 to \$300,000; Category E - Over \$300,000;

Following are the projected Capital Improvement projects that we know of as of

now. As priorities change, there inevitably will be additions, deletions, and other unanticipated changes to the projects listed below. If new projects arise which require skill sets that are not adequately available within our existing list, we will re-advertise at that time to supplement the existing list:
